

Communicable Disease & Emergency Preparedness Training

The Communicable Disease and Emergency Preparedness staff have developed and have accessible many courses for those in the community including businesses, child care providers, churches, etc.

The following are some of the topics available. If there is something you would like and it is not listed, please feel free to contact the health department to arrange for a topic of your choice.

In addition to face to face presentations there are many brochures, fact sheets, etc. available for distribution.

Topics Available:

- Emergency Preparedness and Planning
- Handwashing and Universal Precautions
- Bloodborne Pathogens
- Immunizations and Vaccine-Preventable Diseases
- Gastrointestinal Illness
- Influenza
- Pandemic Influenza
- Personal Preparedness
- Community Acquired MRSA
- Communicable Diseases in the Childcare Setting

To schedule a course or to order materials please contact the Communicable Disease and Emergency Preparedness staff at 816-325-7204 or email Kate Donaldson at kdonaldson@indepmo.org.
