## VOLUNTEER OPPORTUNITIES

### Adopt-A-Park Program

The Adopt-A-Park Program is an opportunity for families, schools, neighborhoods and organizations to serve the community. By adopting an Independence City park, your group, organization or school agrees to visit that park once a month to help keep it clean and to make note of any condition that may require attention.

### Park Volunteer Program

The City of Independence has 45 parks, greenspaces and trails. Each year individuals and groups donate many hours of volunteer service helping to enhance our park system. Find an opportunity to volunteer at a park near you.
